The management of Baylands welcomes you and hopes that you enjoy yourselves at tonight's races. We regard our racing to be family entertainment, and encourage you to bring the entire family. While we do serve beer, along with other refreshments, we do not feel that its sale entitles anyone to behave in a manner that disturbs others who have paid to attend our events. We will under no circumstances tolerate drunkenness, rowdiness, foul language or fighting by anyone on these premises. If disturbance persists, we will not hesitate to have those responsible taken into custody and charged. Thank you for your attendance tonight, and please let us know if we can make your evening more enjoyable.

Special thanks to our billboard advertisers: Tri City Motors, Perdue Tire Co., KEEN Radio, Hilton Hotel - Newark, Seven-Up, G.M. Sports, Volkscraft, Check Center, Budweiser, Lightning Muffler, Reids Diesel Service, Frey Racing, Flow Master, Fremont Ford, Challenger Chassis, Russ Joseph Engines, Osteens Body Shop, Hour Portraits, Sunnyvale Welding, National Speed Center, Frontier Ford, Schoeber's Athletic Club, Racing Wheels, The Nuggett, Carls Jr. Restaurants, MADCO Welding, Golden Gate Upholstery, KNEW Radio.

We also want to thank our event sponsors for our sprint car shows: Reids Diesel Service, Red Lambeth Construction, National Cold Storage, Sunnyvale Welding, Lightning Muffler, Fremont Ford, Tri-C Machine, Lynch Pro-Formance Products, Rich Voss Trucking, Stevens Creek Quarry.

INTRODUCING THE ULTIMATE AUTOMOTIVE POLISH/FINISH

Liquid Glass

CONNOISSEUR'S CHOICE®
LEATHER, VINYL and
UPHOLSTERY PROTECTANT

*run with
a WINNER...*

LIQUID GLASS REMOVES scratches, tar, bugs, berry stains, oxidation, water spots, sap, overspray, slideswipe, timerot, road salt permeation, hazing on decals, hi-lo spots, graffiti, grease, oil and gas stains, rust on chrome, tanish on aluminum, gold, brass, etc., scratches and yellowing in plexiglas and plastic, etc.

ONCE APPLIED LIQUID GLASS IS gasoline retardant, scratch, salt water, and salt air resistant, heat and burn retardant

NOTHING BEATS "GLASS" ON FIBERGLAS OR METAL. IN FACT, 5 COATS OF LIQUID GLASS IS THE EQUIVALENT OF 1 COAT OF CLEAR LACQUER, YET IT IS 50 TIMES HARDER.
