Welcome To Godfrey Speedway

Dear Race Fans,

Welcome to Godfrey Raceway, the home of C.A.R.A. (Competitive Auto Racing Association). This is a quarter mile high banked oval dirt-track which will show you some of the most action packed racing that you have ever seen. The Raceway is 39 years old this year and we hope to share our shows with you all season. We hope that you will enjoy our program and come back often.

We have four divisions of race cars, SPRINTS, LIMITED LATE MODELS, HOBBY STOCKS and THE DETROIT BOMBERS. As individuals, they come from all walks of life but they come to GODFREY RACEWAY with a common interest, to carry the checkered flag.

We look forward to the 89 racing season and sincerely hope that you will enjoy our Friday night programs as well as our special events. We invite you to visit the pit area after each show and talk with your favorite drivers and take a close look at their cars.

On behalf of the drivers, officials, who put the show together, the management and staff, would like to say, thank-you and enjoy yourselves.

WIB SPALDING

Dedication

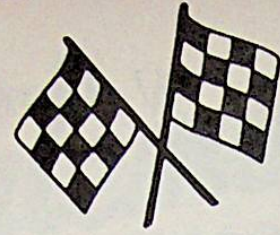

ROSA LEE SPALDING, owner and promoter of Godfrey Raceway passed away on Wednesday, February 15, 1989, after a lengthy illness. We dedicate this program with love to Rose on behalf of her family and friends whose hearts she touched throughout her life.

Denny Motley Memorial

Denny Motley of Brighton, Illinois departed this life on February 5, 1987.

He leaves to cherish his memory a daughter, Joy (24), and a son, Drew (19).

At the age of 15 Denny became involved in racing in Pittsfield, Illinois. While Denny was in the service his desire was to live in Alton because dirt track racing was heavy in the area. In 1968 he started pitting and building cars for C.C. Corbin. At Granite City he was Pit Stewart and built sprints and modifieds.

At the time of Denny's death he was owner of Terry Cox's Sportsman Car #94.

Rob Jones Memorial

Rob Jones, of Maryland Heights, Missouri, lost his life in a racing accident at Godfrey Speedway, May 28, 1983. On behalf of the drivers, officials, the management and staff, we dedicate this program to Rob.

Rob was almost 28 years old and had been married for five years. His wife, Jan, and daughter, Rhonda, who was one year old at the time of the accident, survive.

Rob's dad, Gene, is also a driver competing in the sportsmen class. Rob began his career in 1974 at Godfrey and St. Charles speedways and was track champion for two years in late models and sportsmen.

Rob was a good Christian and was prepared to meet God but will be greatly missed by his family and many friends.
