It gives us great pleasure to welcome you to the 1993 races at the Eldora Speedway.

We want to thank each and everyone of you for helping us to make the Eldora Speedway one of the most popular racing courses in the United States. After all, if it wasn't for you, we wouldn't be in business.

To all members of the press, radio and television who contributed to help make automobile racing one of the foremost sports in the nation.

And we wish to take this opportunity to thank the many advertisers for their foresight and cooperation in helping to make this type of program possible, so that you — the racing fans of America — can enjoy the sport of automobile racing to a fuller extent.

**Sincerely,

THE CLUB ALL STAR CIRCUIT OF CHAMPIONS 1992 SEASON SUMMARY

Huntley Captures Title by Four Points

When Kevin Huntley and mechanic Marshall Campbell joined forces with owners Gary Vandemark and Jim Wahlie in October 1991 at Bloomington IN Speedway, the team won the feature their first night together. This was an indication of good things to come for the team, capped off by winning the \$10,000 points championship at season's end.

After chasing the defending Club All Star champion Frankie Kerr all year, Huntley took the lead by seven points with a win in the Lawrenceburg IN Hoosier Fall Classic. Two weeks later after a race at K-C Raceway in Alma OH, the pair were tied for the lead. Huntley nudged ahead at his home track at Bloomington IN, and held on to win with a fifth place finish in the final event at Eldora OH Speedway. Kerr finished third in the Eldora finale to keep his runner-up spot just four points behind Huntley.

Largest Purse and Points Fund Paid

For the All Star organization, their 13th season was the first run under the banner of a major sponsor, The Club, an auto anti-theft device manufactured by Winner International of Sharon PA. The series visited 33 Speedways and nine states in 1992, contesting 60 feature events. Due to an unusually wet summer, 12 races were lost due to rain.

Over a million dollars in prize money was paid out by the tracks. In addition, drivers and owners received \$96,000 in points fund money throughout the season, with \$39,000 of it paid out at the final points race at Eldora.

Top Ten Points Drivers and Owners

Huntley and his team won 14 features in their Maxims chassis, finishing in the top ten forty times. Along the way, Huntley also grabbed the Ohio Outlaw Sprint Speedweek title and the Las Vegas Shootout race at Eldora Speedway.

Defending series champion Kerr won nine mains and had 45 top ten finishes in his Stan Shoff-owned J&J. Third in the standings was Terry Shepherd, pilot of Dee Chapman's Northern Indiana Paint & Supply Schnee, with eight wins.

Rod George recorded a pair of runner-up finishes for a fourth place points effort, spending most of the season in Warren Johnson's Maxim. Fifth in the standings was Todd Kane, who wheeled his family's Maxim to four runner-up finishes.

Next in the points chase were Bobby Allen, winning four times in his own car, and Rickey Hood who piloted Danny Arthalloney's Gambler to three feature wins, plus one for Tim Engler. Daryl Daugherty and Joey Saldana followed in eighth and ninth place. Kelly Kinser completed the top ten.

Daugherty and Saldana were also named Rookies of the Year.

Many Firsts Recorded

There were many firsts on the All Star Circuit this season:

For the first time the series title was decided by less than five points, the margin Fred Linder won by over Kelly Kinser in 1984.

First career All Star wins came in 1992 for Lance DeWease at East Bay and Joey Saldana at Lincoln Park IN.

First All Star win as a car owner came for Tim Hughes when driver Johnny Mackison won at Bloomington IN in October.

Their first career Eldora Speedway wins came to drivers Kerr, Huntley and Steve Siegel during the season.

His first Sharon Nationals win and \$10,000 went to Joey Kuhn over Labor Day weekend; while Cris Eash collected \$10,000 in his first try at the Dixie Nationals.

Tracks hosting their first All Star sprint events were I-85 Speedway in Greer, SC and Sportsman's Speedway in Knox PA. Hosting their first visits in many years were Fairbury IL, Macon IL, Southern Ohio, and I-79 Speedway in WV.

The first ever Summer Sizzler Tour was held in mid-July, visiting I-85, Dixie and Rome GA speed plants.

Ohio Sprint Speedweek Memorable

A first time champion was also crowned for Ohio Sprint Speedweek. With action set for seven straight nights, Bobby Allen captured the opener at Millstream. Huntley took round two at Buckeye Speedway, with Hood garnering the K-C round. Joey Kuhn won at Sharon.

Wednesday at Attica saw Shepherd just nip Hewitt at the finish line for his first career Speedweek win. Then it was Huntley's turn, as he won at Fremont and Eldora's \$10,000 finale to capture his first Speedweek title.

Many Different Winners

There were 19 different feature winners in 1992. Huntley topped the list with 14, followed by Kerr with nine and Shepherd with eight. Hood, Bobby Davis Jr. and Allen were four-time winners. Keith Kauffman visited victory lane three times and double winners were Mackison and Dave Blaney. DeWease, Danny Lasoski, Kevin Briscoe, Kenny Jacobs, Joe Gaerte, Saldana, Kuhn, Mark Keegan, Eash and Siegel all scored solo victories. Jack Hewitt still leads in career All Star wins with 56.

Support from Associate Sponsors

In addition to The Club, associate sponsors for the All Stars are Gaerte Engines, Brodix Heads, Cam Dynamics, tire companies McCreary, Hoosier, and Goodyear (Competition Tire West), shock companies Carrera and PRO Shocks, Plastik Racing Tanks, and Royal Publishing.

With the eleven-race Florida series just around the corner starting January 29 in Jacksonville, the All Stars -- just like the Energizer Bunny -- keep on going, and going, and going...

CLUB All Star Sprint Cars To Race At ELDORA

By Carmella Shingleton

The CLUB All Star Outlaw Sprint Cars will race at Eldora Speedway on Saturday night, April 3, 1993. The winner of the 30 lap feature will receive \$4,000. The racing action will begin with warmups at 6:30 p.m. and racing will begin at 8:00 p.m. The UMP Late Models will also be racing under UMP rules and points with the A-feature winner receiving \$600. The Eldora Bombers will also be racing.

Kevin Huntley, who calls home, Bloomington, Ind., is the 1992 CLUB All Star Champion. The CLUB All Star Sprint cars competed five times at Eldora in 1992. Huntley posted his first All Star victory at Eldora by winning the Speedweek Finale and \$10,000. Other drivers who won at Eldora in 1992 were 1991 All Star Champion Frankie Kerr, Bobby Allen, Kenny Jacobs and another member of the Pennsylvania Posse, Steve Seigel, who won the Final All Star Point Race in October. Put with all these fine drivers with the likes of Jack Hewitt, Rick Hood, Todd Kane, Ed Lynch, Jr., Art Wendt and Kelly Kinser and there will be lots of Winged Sprint Car racing action at Eldora on April 3rd.

In the UMP Late Model Point chase Terry Hull beat Don Seaborn by one point in the final race of the season, the Johnny Appleseed Classic in October. Hull will be there Saturday night, trying to beat Seaborn, Jack Hewitt, Terry Sroufe, Audie McWilliams and Kris Patterson. The Eldora Bombers will also be racing. Barney Craig is the defending champion. He will be there along with John Philipot, Jim and Jerry Butler, Dan Wooten and Mike Holden.

Remember all this racing action begins with warmups at 6:30 p.m. and the first heat getting the green flag at 8:00 p.m. sharp. Eldora Speedway is a high-banked, halfmile clay oval located on State Route #118, North of Rossburg, Ohio. "It's the PLACE to be."
