# WILLIAMS GROVE SPEEDWAY

On behalf of all officials, employees, car owners and drivers, we would like to welcome you to the Williams Grove Speedway.

The Grove, which long ago was named "The Ascot of the East" is rich in racing tradition and those of us here today are a small part of a tradition that is certain to grow.

It would be an injustice to try and list the names of all the greats who participated at Williams Grove over the years. Since the gates of this famous half-mile were first opened, nearly everybody, who is anybody in automobile racing has raced here at some time.

Equally as important is the fan. Because if the fans had not supported the Grove, those greats of the past and present could not have raced. It takes a partnership of management, fans, car owners and drivers to make possible what has been achieved at the Grove over the years.

Last year new management took over the operations and attempted to offer the fans a varied program and we hope to continue that this season.

The Grove has long been considered the "hot bed" of sprint car racing and it is our intent for this to continue. The sprint cars will be the main attraction each and every week.

The sprints will be joined from time-to-time by the late model stock cars, the Super Sportsmen and the Go-Carts. We also have several "first class" added attractions and we think the Fireworks displays we have planned for you will be second to none.

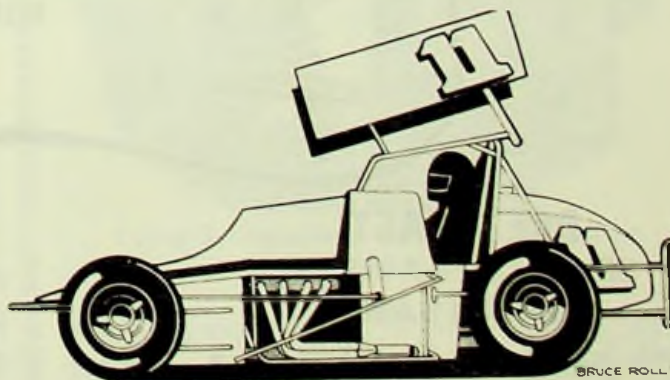

The World of Outlaws, the USAC Champ Cars, the All-Star Circuit of Champions and Joie Chitwood will be returning this season. And, after an absence of several years the AMA motorcycles will be returning twice, and the MODCARS will be appearing here for the first time ever.

Comments, suggestions and even complaints are welcome. If you have something to say just drop us a line at Williams Grove Speedway, 1 Speedway Drive, Mechanicsburg, Pa. 17055.

Once again, welcome, and we here at Williams Grove hope you enjoy the racing.

# RICH SYRACUSE QUALIFIER TO RANDY WOLFE

Randy Wolfe in the Keen Transport Sprinter, romped to his second feature win in a row, and his third career win at Williams Grove....DOUG McCLATCHIE PHOTO

The ever popular Lynn Paxton had to settle for third last week behind Jimmy Horton. For Paxton it was his tenth top five finish of the season here at the "Grove"....BILL HOLLINGER PHOTO

Mechanicsburg, PA.. Randy Wolfe scored the biggest win of his career last Friday night at Williams Grove Speedway as he bested a stellar field in the 40-lap Syracuse qualifier for Sprint cars.

The victory was the second in succession at the Grove for the 25-year old full time racer from Mechanicsburg. In addition to the first place payoff of \$2500, Wolfe became the speedway's new point leader. He will also represent Williams Grove as a guaranteed starter for the Syracuse Super Nationals coming cup in October at the New York State Fairgrounds.

Wolfe started tenth in the 24-car field and moved into third place behind Daryl Sheaffer and Bobby Weaver by lap three. He claimed the runnerup position with an outside move coming off turn four on lap six and repeated it one lap later to take the lead from Scheaffer.

Despite numerous restarts Wolfe was never seriously challenged as he pushed his Keen Transport Cook car to a 1.33 second margin of victory.

Jimmy Horton moved by Lynn Paxton following a 37th lap restart and finished in the runnerup position. Paxton was third followed by Daryl Scheaffer in his best performance of the year at Williams Grove. Van May completed the top five.

Positions six through ten were filled by Donnie Eckman, Chuck Amati, Bobby Weaver, Dave Kelly and Jim Nace.

Smokey Snellbaker earned the evening's hard luck award. After flipping in the first heat, the Lloyd crew made some hasty repairs and borrowed a wing from Joey Gravino which enabled him to qualify through the second consolation. A new wing was brought from the Lloyd shop and Smokey moved from his 24th starting position to fourth when brake problems sent him to the pits with only four laps remaining in the feature.

Heat wins went to Gary Gollub, Horton and Randy Ruth. Jim Nace and George Ferguson won the consolation events.

The field of Sprint cars numbered 43 last Friday.

A large holiday weekend crowd was treated to a spectacular

display of fireworks

*Balance and Seal is a complex, scientifically  
formulated compound.*

It is inert and will not harm rubber, nylon, rayon, or metal. It will not deteriorate or break down over time. In fact, Balance & Seal is unaffected by temperatures ranging from -50 degrees to 300°F.

### **Balance**

Balance & Seal will continuously and permanently balance any motorcycle tire. Its heat transfer agents help reduce a tire's internal running temperature by as much as 50°. Balance & Seal will absorb moisture and seal and condition inner liners and tubes, preventing cracking and rotting, thus increasing tire life.

### **Seal**

This extremely effective sealant will virtually puncture proof your motorcycle. It will stop those troublesome slow leaks and seal punctures up to 3/16" in diameter for the life of the tire tread.

Do it yourself at home with our handy caulking gun cartridge - No special tools are required!

## PIT CHATTER

BY BOB CHORPENNING

Last Friday's nights field of Sprint Cars totaled 43. It was one of the most impressive fields in a long time, and a night that was demanding and tough for the top drivers, as well as the other drivers. The USAC Dirt Champ Car show was rained out on Saturday night, and was not rescheduled. There were many teams already on hand Friday night, and many more were in the parking lot on Saturday when the race was called off. Grove officials said reserved seat ticket holders, for the USAC race can obtain refunds by returning the tickets and a stamped envelope to the Williams Grove ticket dept.

Chuck Amati was on hand last Friday night with his Sprinter no. 65, for his first appearance at Williams Grove since way back in the early seventies. Amati finished fourth in his heat, and finished 7th in the 40 lap Firecracker Special feature. Amati was at one time in fourth, but a sour motor hindered his drive any further to the front.

Mike Kwiatkowski made his first start of the year in the Bob Benchoff no. 11. Mike qualified well in his heat, but had problems in the feature and dropped out early.

Randy Ruth won his first heat race of the season last week driving the Miller Racing Team Special. The car was sporting a clear see through hood that was very different, and very imaginable. In the feature, Randy was an early drop out with mechanical troubles.

Daryl Sheaffer ran one of the best races of his career last week, and finished a strong fourth in the 40 lap main event. The entire race Daryl was right in there, and showed that he can do it if things are right.

Jimmy Horton has been having motor problems all year in his Statewide Sprinter No. 3. When the motor was running good then something else would go airy. Last week Horton came to the track with a new uniform on, and finished second in the feature event. Was it the new uniform, or was it just about time for a good finish?

Randy Wolfe was the big winner last week for the second straight week. The win also gave him a guaranteed spot for

the Sprint National up in Syracuse in October. In victory lane Randy said, "I am very proud to represent Williams Grove Speedway."

Billy Stief was back again last week having his drive shaft cuppler come apart the week before, striking him in the buttock while in the driver's seat. Bill said, "I went to the doctors and he said that my spine was bruised just a little, and nothing to worry about." Then Billy said, "Actually I had 'brain fade' in the rear."

Very seldom does it happen, but Smokey Snellbaker flipped over last week in the heat race after going up over a rear wheel of another competitor's car. The Lloyd crew worked on the car, and even went back to their garage to get parts for the car. The car was ready for the Consey run where Smokey finished third. In the feature the car had a brake lock up one of the wheels, and had to pull off the track.

Donnie Eckman finished a well deserved sixth last week in the feature to give him his best finish this season at the "Grove". Donnie is still looking for a good sponsor or a good ride.

Fred Kennedy made his second start of the year last week in his No. 11 Sprinter all the way from New Jersey. Fred had troubles and didn't make it in the feature race. Fred also runs the Big Block Modifieds in New Jersey when not running Sprint cars.

So far this season there has been 9 different winners here at Williams Grove. The drivers without a victory yet are, Keith Kauffman, Jimmy Horton, Paul Kline, George Ferguson, Jr. Bill Stief, Scott Tobias, Barry Camp, and Lynn Paxton.

Even though Paxton has not won a feature, he has had 10 top five finishes and rides second in the current point standings.

There has been 31 different driver's win heats, and conses so far this season here at Williams Grove. Keith Kaufman is leading with 6 wins.

Another interesting fact is that the Larry Hull's car No. 2, has been in the top five 6 times with George Ferguson and Allen Klinger driving.

# LOOKIN' BACK

by Ray Short

Once again Williams Grove Speedway hosts the Winged Sportsman, based at nearby Silver Spring Speedway.

This article usually features facts and figures of just the visiting Sportsman, however, this writer would like to take the liberty of mixing up a "hellofastew" by a lot of name dropping and some reminiscing.

"Ole" Satch Paige, the famous baseball pitcher, always allowed as how it was not so good to look back, someone might be following close. Many philosophers also advise that looking back is bad, that we should live for the present and look forward.

Your reporter happens to be a "soiled senior citizen" or an "old codger" as may the case be, who disagrees. We happen to believe that memories are precious and that there's no harm in looking back and reminiscing upon some of the "good old days".

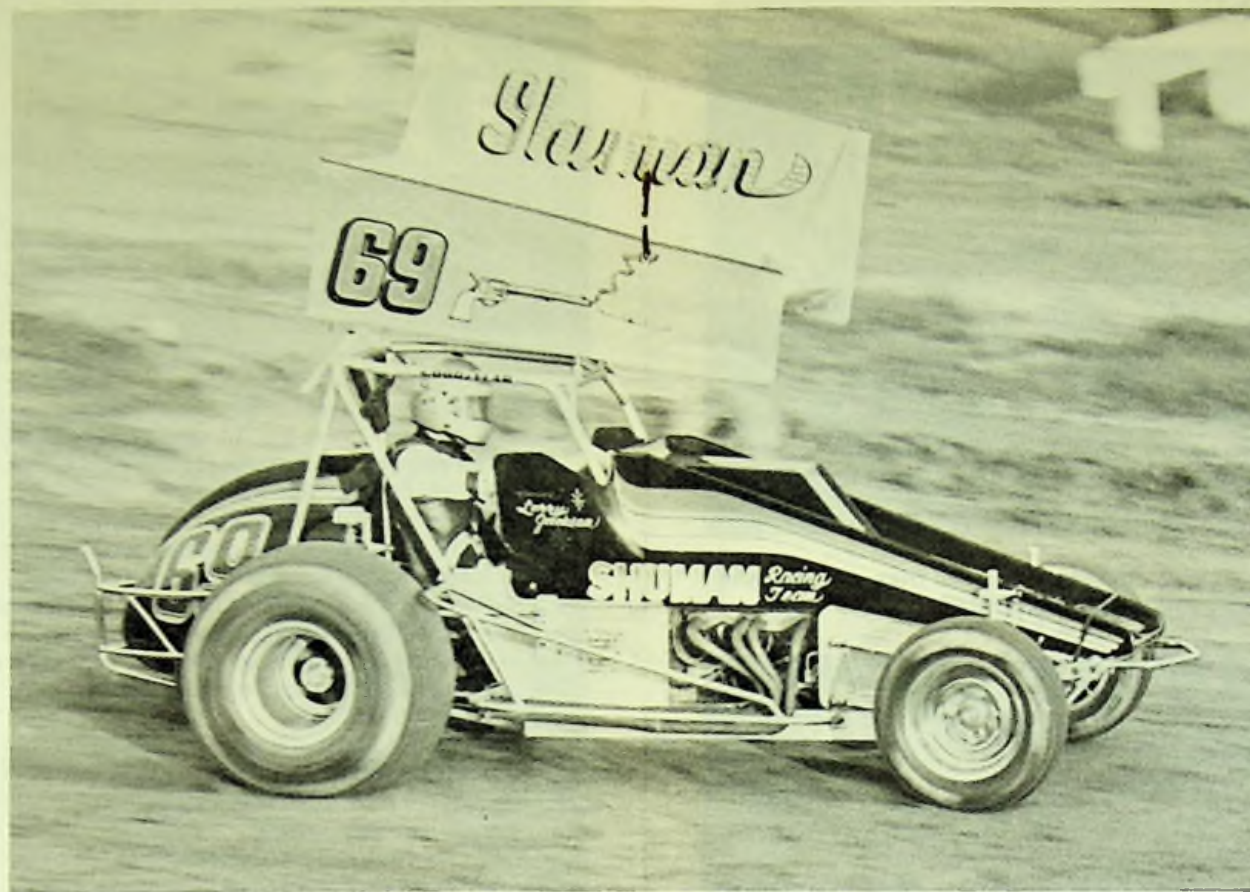

Remember when the flatheads started racing here at the Grove? Who, from that era, can ever forget the charismatic Johnny Mackison, who was almost a cult, with the young kids and many genuine race fans of the area.

How about the great U.S.A.C. races on Sunday afternoons starring such greats as Horn; Brown; Hinnershitz; Light; Chitwood; Robson; Stine; Dinsmore, and so many more. Wish we had Carl Sweigert here to help recall some of those races.

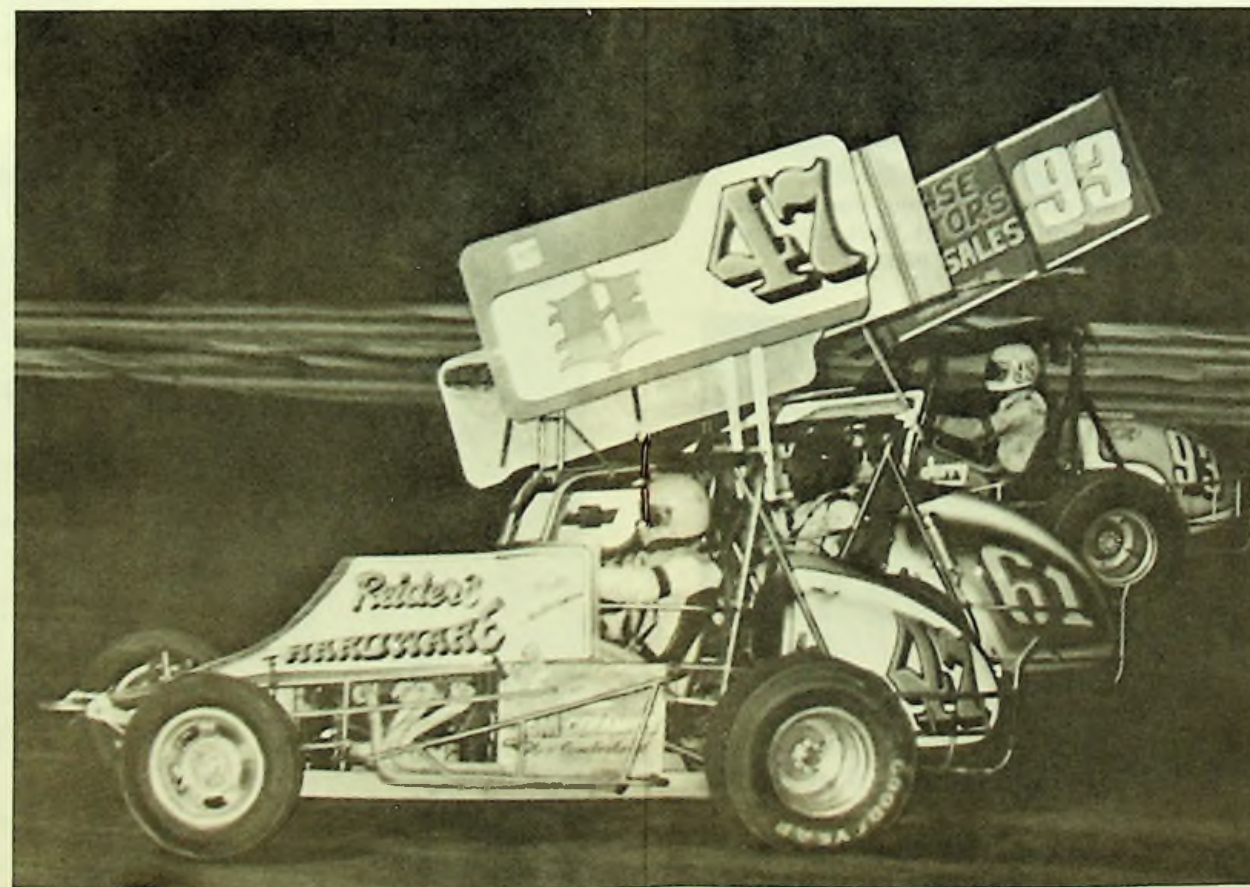

Because the Winged Sportsman and drivers are a part of this evening's program, we thought you might be interested in the list of active drivers at Silver Spring Speedway and their career win count.

Career wins of some of the "Old Timers" and also of those former Sportsman drivers who have moved up to the Super Sprints include Kramer Williamson with 7 career wins at the Spring. He was voted "rookie of the year" in 1968 and took the Championship the following year before moving up to the Sprints.

Last time the Sportsman was on hand here at the "Grove", Larry Jackson was the big winner....JEFF KLINE PHOTO

Other former Sportsman chauffeurs and their career wins are Bobby Weaver, who carded 5 victories in his "sidewinder"; Paul Kline had 4 wins; Darryl Sheaffer took the checkered flag 3 times, and Paul Kauffman and Maynard Yingst each logged 2 wins while competing at Silver Spring Speedway.

No longer active, Ron Tilley left his mark in career wins with 21. He also set a record of most feature wins in a season in 1968 when he recorded 11 wins.

Russ Smith is no longer active at local tracks but we see his name in the line-up at another track occasionally, accumulated a total of 35 wins at the Spring where he also copped Championships in 1966 and 1971.

Jimmy Sheaffer won his first Silver Spring feature on August 4, 1962 and went on to win 31 more along with Championships in 1962-1963-1965 during his colorful career on the 3/8 mile oval.

Although not active as a driver but rather as a coach and manager of Go-Carts, Mitch Smith left an incredible mark in the record books all over the country. He especially starred at local tracks and Silver Spring Speedway is proud of his start at their racing plant. Smith got his first Spring feature win on May 18, 1963 and added four more victories that year before moving up to the Sprints where he embarked on a brilliant career.

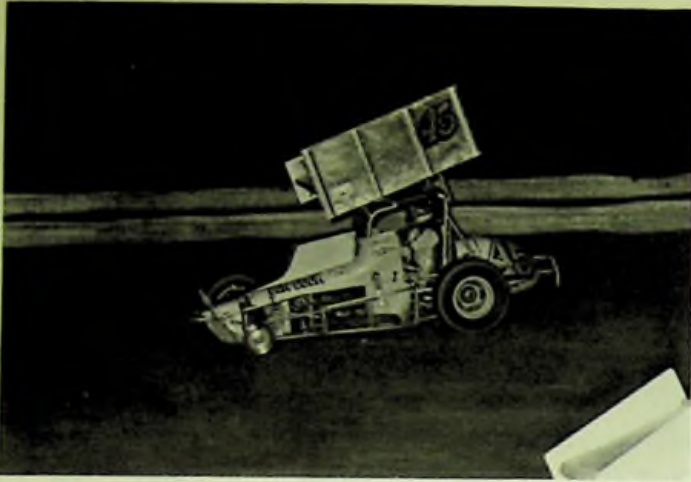

So you see, it doesn't really hurt to look once in a while. We hope you have enjoyed some of our trivia and can, perhaps, bring to memory some "special" racing events of your own.

We are, however, in the present now and want you to sit back and enjoy this Williams Grove Speedway presentation, featuring the great Super Sprints and the Winged Sportsman.
