WILLIAMS GROVE SPEEDWAY

On behalf of all officials, employees, car owners and drivers, we would like to welcome you to the Williams Grove Speedway.

The Grove, which long ago was named "The Ascot of the East" is rich in racing tradition and those of us here today are a small part of a tradition that is certain to grow.

It would be an injustice to try and list the names of all the greats who participated at Williams Grove over the years. Since the gates of this famous half-mile were first opened, nearly everybody, who is anybody in automobile racing has raced here at some time.

Equally as important is the fan. Because if the fans had not supported the Grove, those greats of the past and present could not have raced. It takes a partnership of management, fans, car owners and drivers to make possible what has been achieved at the Grove over the years.

Last year new management took over the operations and attempted to offer the fans a varied program and we hope to continue that this season.

The Grove has long been considered the "hot bed" of sprint car racing and it is our intent for this to continue. The sprint cars will be the main attraction each and every week.

The sprints will be joined from time-to-time by the late model stock cars, the Super Sportsmen and the Go-Carts. We also have several "first class" added attractions and we think the Fireworks displays we have planned for you will be second to none.

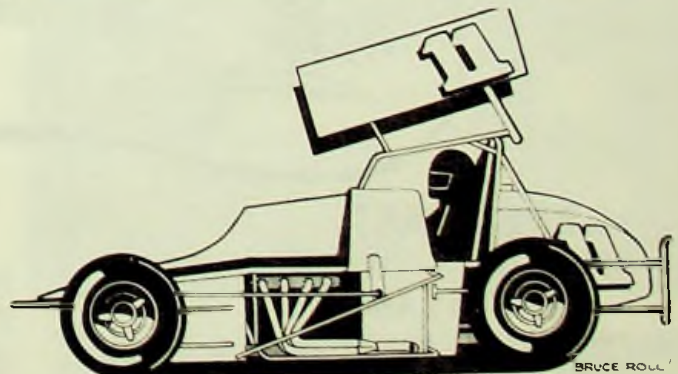

The World of Outlaws, the USAC Champ Cars, the All-Star Circuit of Champions and Joie Chitwood will be returning this season. And, after an absence of several years the AMA motorcycles will be returning twice, and the MODCARS will be appearing here for the first time ever.

Comments, suggestions and even complaints are welcome. If you have something to say just drop us a line at Williams Grove Speedway, 1 Speedway Drive, Mechanicsburg, Pa. 17055.

Once again, welcome, and we here at Williams Grove hope you enjoy the racing.

Balance & Seal will absorb moisture and seal and condition inner liners and tubes, preventing cracking and rotting, thus increasing tire life.

Bobby Davis, Jr. Becomes 14th Different Winner

Bobby Davis, Jr. (29) goes by Barry Camp (26) during the feature and on to capture the big win last week....BOB ZEIDERS PHOTO

Young driver Bobby Davis Jr. poses in victory lane to become the 14th different winner.....BOB ZEIDERS PHOTO

Mechanicsburg, Pa. -- Bobby Davis, Jr. of Memphis, Tennessee, returned to Pennsylvania last Friday night following a recent tour with the World of Outlaws and claimed the 30-lap Sprint car feature at Williams Grove Speedway.

It was the first Williams Grove victory ever for the 19 year old charger, who became the 14th different Sprint winner at the Grove in 1982. The victory was worth \$1,500, and car owner Bob Weikert announced in victory lane that every penny would go to Davis.

Dan Dietrich took the early lead from his front row starting position and held it until Barry Camp took over on the fourth lap. Camp's night ended two laps later when a broken torsion bar sent him to the pits, and gave the lead back to Dietrich.

Randy Wolfe slid by Dietrich on the ninth lap and seemed to be headed for his third win of the season. Davis, who started 12th, entered the picture at the halfway point when he moved by Lynn Paxton for second spot on a restart.

Wolfe kept Davis at bay until a 27th lap restart when Davis moved up on the outside entering turn two. At this point Wolfe's Keen TRansport machine fell off the pace and Davis stretched his lead to an

impressive 3.69 second margin of victory.

Wolfe managed to hold on for runnerup honors as Scott Tobias, Smokey Snellbaker and Dan Dietrich completed the top five. Steve Siegal, Randy Ruth, Paul Kline, Paul Lotier and Roger Kickett filled positions six through ten respectively.

A flat tire sent Lynn Paxton to the rear of the field while running third with five laps to go. Paxton, who won the last two features at the Grove, made a dramatic charge through the pack, and had cracked the top five when his engine expired on the last lap forcing him to coast across the finish line in 12th place.

Sprint heats went to Chuck Reinert, Dietrich and Camp. Paul Kline won the consi. Dietrich beame the 38th different driver to win a qualifying event at the Grove in 1982.

Todd Shafer took the lead from Roger Stutts exiting the final turn to win the 10-lap Go-Kart feature. Stutts held on for second with Eric Shaffer, Bob Swartz and Matt Snyder completing the top five.

Kart heats were won by Todd Shaffer and Matt Snyder.

RESULTS

First Heat: Chuck Reinert, Randy Wolfe, Doonie Eckman, Allen Klinger, Scott Tobias, and Van May

"THE FINALE"

by Ray Short

The Winged Sportsman make their final 1982 appearance, tonight, at Williams Grove Speedway.

Based at nearby Silver Spring Speedway the Winged Sportsman have, thus far, logged four different winners in four contests. This is indicative to the fact that these dirt track "Jockeys" are learning the ropes of this famous half-mile track and are finding the groove to the "fast lane" easier to find each time they compete here.

The first time out Rich Eichelberger took the checkered flag and it looked like he was going to continue his domination of the 1982 campaign as he did in 1981, when he recorded three wins of the five-program competition.

Three other Sportsman chauffeurs decided this was enough and set out to stop Eichelberger's monopoly and in the three following programs there were three different winners.

Following "Ike", Ron Heisey squeaked through for a visit to victory lane. Then Larry Jackson decided it was his turn to carry the banner. Finally, the last time out, three-time Sportsman Champion at the Spring, Johnny Murphy broke the ice for his win.

Eichelberger, who competes in the Super Sprint division as well as the Sportsman class, has been competing at the Spring for at least six years, as his "stats" show that he recorded his first Spring victory on April 24, 1976. "Ike's" Sportsman Chevy no. 8 is owned by Buck and Linda Meyers, was built by Kramer Kraft and is sponsored by D&M Automotive. Meyers pulls the main wrench on the engine, while Joe Polaski engineers the handling set-ups.

The 32 year old Eichelberger and his wife, Nancy, reside in York Springs with their two children, Frank, 12 and Aaron, just 6 mos. old.

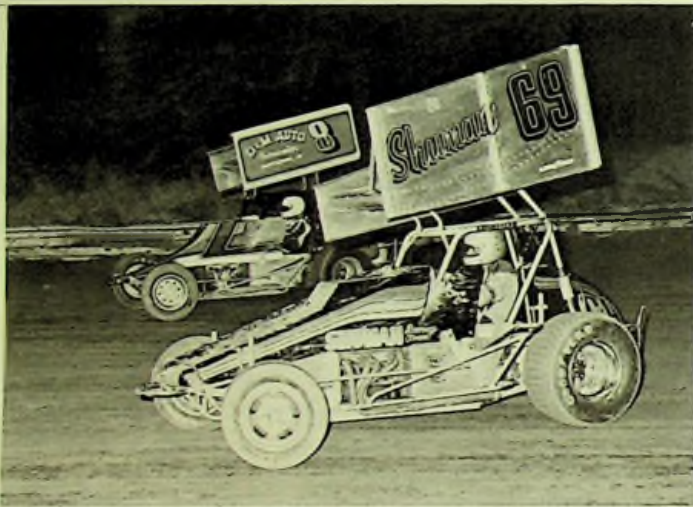

Eichelberger is employed by Lobar Inc., a construction company. When not busy working and racing, "Ike" turns to snowmobiling and hunting for recreation.

Rich is a soft spoken, very affable gentleman, who is exceptionally easy to talk to, and very cooperative with everyone around him. Among his peers around "pit row", "Ike" is known as one of the "real nice guys".

Ron Heisey a 19 year vetera of Silver Spring Speedway racing, has only one career win to his credit. However, it must be noted that this cannot be interpreted as a failure on Ron's part as a true competitor. Heisey's reputation as a hard driving, aggressive, competitor precedes him anytime the Heisey-Jack Warfield owned no. 56 shows up at the track, and Ron seldom misses a program. He is sponsored by R&R Automotive and Lawrence Chevrolet. Mike Warfield serves as the chief mechanic.

Johnny Murphy (30) who has won a feature here at Williams Grove, races hard with Johnny Yinger (15) over at Silver Springs Speedway.....BOB ZEIDERS PHOTO

Larry Jackson (69) and Rich Eichelberger (8) have both won a feature at the "Grove" and both are fierce competitors.....BOB ZEIDERS PHOTO

Ron Heisey (56) in his R & R Automotive Special wheels under Tim Leiphart (11) in competition. Heisey also has won a feature event here at Williams Grove Speedway.....BOB ZEIDERS PHOTO

The 44 year old Heisey is employed by Auto Seat Cover Company and resides, with his wife Darla and their brood of five, in New Cumberland. When asked what hobbies he engages in, Heisey's outgoing, but dry humor shined through as he replied, "With five kids and a full time job, brother, this is it," and pointed to his well known R & R Automotive built Chevy no. 56.

The third different Grove Winner of 1982 was Larry Jackson, driving the Randy Shuman owned - Shuman Racing no. 69. In his "rookie" year his best finish was a fourth. In 1980, however, Larry got "hot" and finished third in the point standings, with six feature wins unders his belt.

With mechanical woes troubling Jackson much of the 1981 season, he finished a disappointing ninth in the standings, but still managed to duplicate his feature win number of the previous year.

Larry's Chevy was built by Kramer Kraft, with Jack Kuhn pulling the "big wrench". Jackson, a 36 year old bachelor, is self employed as a Landscaper and resides in Carlisle, R.D. His main hobbies include boating and racing.

Johnny Murphy was the winner of the fourth feature for Sportsman at Williams Grove Speedway. Murphy brought the Murphy owned - Earl's Silver Spring Food-Highland Tire sponsored no. 30 home to make it four different winners in as many clashes.

Murphy sits in mighty good company in the history of Silver Spring Speedway racing. He is ties with the late Ken Hurley and Jim Sheaffer, with three Spring Championships to his credit.

With one win and eight other top-five finishes n the current campaign, John could break that tie in 1982 and record a much-hoped-for fourth title.

The 31 year old U.P.S. truck driver built his own chassis and housed it with a Chevy Engine.

Johnny, a complete introvert, is just the opposite once you get by his extreme shyness. His rapport with kid-fans will amaze you and around elders he shows a well-bred family training, being quite mannerly and cooperative.

Murphy and wife, Kim practically live on the track grounds and already have their 2½ year old son, Anson, on the way to being a true and knowledgeable race fan. When time permits, Murphy likes to hunt and fish.

So there you have a bit of history on each of the winners so far this year. Who of these four might repeat? Is it possible to get yet another winner? How about Dwight Leib - Tim Leiphart - Gary Wolford - Jerry Wolfe - Scott Ausherman - John Yinger - Don Comerer and others? They could do it if they get their "thing" together.

We certainly hope you have enjoyed our little articles on the Spring Sportsman throughout the year and hope you now know them just a bit better.
