# WILLIAMS GROVE SPEEDWAY

Welcome to Williams Grove Speedway.

The officials, employees, car owners and drivers hope your visit here is a pleasant one.

The speedway, a one-half mile clay oval has been in existence since 1939, and has featured some of the greatest names in auto racing. Those great names and the outstanding racing they produced led to the Grove being called "The Ascot of the East."

The Grove has long been considered the "hot bed" of open wheel racing, and it is the hope that this will continue in 1983 and in the years to come.

Because of this, the weekly featured program will be sprint cars.

There will be other forms of open wheel racing, such as the World of Outlaws, the USAC Champ Cars and the Super Sportsmen.

We realize that our fans are open wheel fans, but at the same time we have found that they enjoy seeing various types of racing. For that reason we have again booked many added attractions in hopes of presenting a program that everyone can enjoy.

Several added attractions will include the powerful late models, MODCARS and Small Block Modifieds.

We would like to remind you that while racing is a very exciting sport, it can be dangerous. In the event of an accident we ask you to refrain from moving into an area of an accident.

We have very well trained Emergency Medical Technicians and fire fighters, but for them to do their job, they must have access to the troubled area. Please cooperate.

Basically, the speedway is divided into three areas, the front stretch, the infield area and the back stretch. All three areas are serviced by concession stands and restrooms. You are still invited to walk from one area to another. However, fans will not be permitted in restricted areas.

Comments, suggestions and even complaints are welcome. If you have something to say just drop us a line at Williams Grove Speedway, 1 Speedway Drive, Mechanicsburg, Pa., 17055.

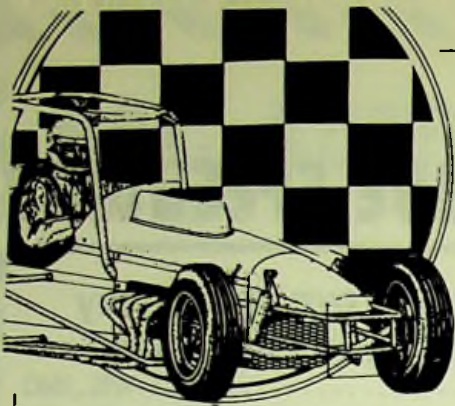

Once again, welcome and we here at the Grove hope you enjoy the racing.

And, please do come back.

Dwight Leib runs flat out in his A1 Automotive special here at the Grove, and to record his second feature win of the season...BARRY SKELLY PHOTO

Area Auto Racing News

JUNE 10, 1983...For the third time this season, the Silver Spring Speedway super sportsman division made the trip across the town of Mechanicsburg to race at the famous Williams Grove Speedway. The sportsman had a 20-lap race that was curfewed earlier in the year to run along with their regular 20-lap feature race that was scheduled for that night. The first feature found the "Jackson Jet" of Larry Jackson winning his first Williams Grove feature of the year, and in the second race "A.D. Sideways", Dwight Leib, picked up his second win of the year at the Grove.

When the green flag came out on the first feature race, Howie Locke jumped into the lead with Fred Putney, Vance Yinger and Rich Eichelberger following. The next lap found the Randy Shuman-owned, Shuman Gun Shop-sponsored no. 69 of Larry Jackson storming into second position. At the end of the second lap the caution flag came out when Vance Yinger came to a stop on the track. While the cars were under the caution flag, Jackson was informed that he was being penalized two positions for jumping at the start of the race.

When the race was restarted, Rich Eichelberger charged into the lead with Jackson second and Putney third. While Eichelberger was running the bottom of the turns, Jackson was slamming the cushion up high in the turns. Using this groove, Larry quickly caught Rich and on the seventh lap, Jackson slid by Eichelberger in the second turn to take command of the race. While Larry opened up a large lead, Eichelberger had his hands full as Dwight Leib was challenging for second place. Dwight had his bid for the runner-up spot come to an end on the 11th lap when the hood flew off of the car bringing out the caution flag to the field and

forcing Leib to the pits.

The restart found Jackson in the lead with Eichelberger second, John Murphy third and Gary Wolford fourth. On the 14th lap Murphy went for second place. The Eichelberger and Murphy cars slid into the first turn only inches apart. Rich suddenly found his no. 8 going straight towards the fence. "Ike" hit the fence and the car rode the fence for several yards until the car rolled over onto its side. While Rich climbed from his car uninjured the red flag was brought out to the field.

The new restart still had Jackson in the lead with Murphy, Wolford, Bobby Weaver and Fred Putney following. With two laps to go Wolford snuck by Murphy to take command of second spot, but he was too far behind Larry to make any bid for the lead and Jackson took the checkered flag six lengths in front of Wolford, Murphy, Weaver and Putney.

After running their heat races the sportsman came back out for the second 20 lap feature race. Lanny Hake grabbed the lead on the first lap, but on the second lap it was Rich Eichelberger diving under Hake coming out of the second turn to take over the lead. The third lap found rookie sportsman driver Bob Fannasy taking over second spot, but on the next lap Larry Jackson flew by Hake and Fannasy to take over second position.

The caution flag came out on the fifth lap, and at the same time the caution flag came out leader Rich Eichelberger went into the pits. This put Jackson in the lead with Fannasy second and Dwight Leib third. Just as the green flag came out, a couple of cars in the back of the pack got out-of-shape and Steve Wolfe ended up flipping several times in the third turn. Steve was uninjured.

When the green flag finally came back out, it was Jackson in the lead with Dwight Leib second and Fannasy third. At the midway point of the race Gary Wolford took over third place with teammate Bobby Weaver running fourth. On the next lap the caution flag came out and on the restart Leib dove under Jackson going into the first turn. Both cars were even going down the back chute and Dwight and the R.W. Lutz owned, A1 Automotive sponsored A1 won the drag race coming out of the fourth turn to take over the lead. Jackson was not about to give up and tried several times to recapture the lead from Dwight. With five laps to go Leib opened up a four car length lead, but now everyone was watching the torrid battle that was going on for third spot. Wolford, Weaver and Eichelberger were fighting wheel-to-wheel all the way around the track for the last five laps, swapping the positions back and forth.

When the checkered flag came out it was Leib first, with Jackson second, while Wolford just edged out Eichelberger for third while "Ike" just edged out Weaver for fourth.

# SUPER SPORTSMAN UPDATE

by Ray Short

Once again Williams Grove Speedway hosts the Super Sportsman, based at nearby Silver Spring Speedway.

The Sportsman division is in its third year of competition at the famed Grove oval, having run here in five programs in each of the two past years. This year, however, the Grove officials have invited the Winged Sportsman to participate in seven programs, which might have something to say about their popularity with the strong Grove fan following.

In their last appearance here, two features were run, with Dwight Leib and Larry Jackson coming out on top.

Both these drivers are capable of repeating at any time, however, there just happens to be few other "jocks" who think they can stop any continuous streak of any one driver, from occurring.

As you check in the roster of the Sportsman on this page, also check out the performance of some of them as they take their "hot laps". Not always, but sometimes, this will give you an indication as to how that particular car is going to perform in the races to follow. This, however, depends on whether or not the car stay together and the driver can keep it between the guard rails.

Eichelberger has more victories in a Sportsman car on this track than any one else to date. The first year his domination could be accredited to his knowledge of the track since he also drives in the mighty Sprint division.

Since this is the third year of competition for the Sportsman, there can be no such claim by anyone. The Sportsman drivers now show that they are familiar with the Grove Surface and can hold their own against the likes of Eichelberger and also another Sprint driver who also competes in the Sportsman class at Silver Spring Speedway, Bobby Weaver.

There are several Sportsman drivers you might take a good look at as they do their parade laps. Gary Wolford with over 70 Silver Spring victories and more than 20 years of racing. Freddy Putney with over 50 wins at the Spring and also over 20 years of competition. Another driver who could just cut loose for a win here is Ron Heisey who is one of the steadiest drivers in Spring Campaigns year after year.

A few of the younger drivers to watch include Bob Fannasy, Lanny Hake, Howie Locke and Donnie Harnesberger.

To help make the competition keener there is the likes of Jerry Wolfe; Scott Ausherman; Johnny Murphy, Defending Spring champion who is looking for his fifth title there; Vance Yinger; Stevie Wolfe; Joey Kuhn; Leroy Martin; Johnny Yinger, and a host of other good chauffeurs.

Now as we sit back to watch the competition of the Super Sprints and the Winged Sportsman do their thing, we'll heartily root for your guys and we would surely appreciate a nice hand for our Sportsman who are very anxious to please you as a racing fan.
